CENTRE

TRAINING TOGETHER

Highfield Level 3 International Award in Emergency First Aid and Use of an AED with CPR for all Ages

To provide learners with the necessary knowledge, understanding and skills to support emergency first aid.

The qualification covers knowledge such as the roles and responsibilities of a first aider and how to assess an incident. It also covers first aid skills in cardiopulmonary resuscitation (CPR, for adult, child and infant), providing first aid to a casualty who is choking, dealing with external bleeding & hypovolemic shock, and safe use of an automated defibrillator.

COURSE DURATION

This international qualification would be typically delivered and can be completed to learners through a 1-day training course (6-8) hours
